

Circular to all registered offices with the Royal Consulate General of Saudi Arabia in Houston

Based on what was received by the Saudi Ministry of Foreign Affairs regarding some of the questions and concerns about the Covid 19 vaccinations such as approved vaccines, or some procedures that visitors must take before traveling to the kingdom, the following was brought to the attention:

1. The accepted vaccination companies by the Ministry of Foreign Affairs are: **Pfizer-BioNtech, Moderna, Johnson & Johnson and AstraZeneca.**
2. Vaccine Registration will be through the link:
<http://mugeem.sa/vaccine-redistratation/home>
3. All information pertaining to travelling or quarantine information provided in the link:
<https://covid19.cdc.gov.sa/travel-measures-en>
